NOTE

- All materials are available on the website BuildingHope.WncPresby.org
- If your church does not have the capability to download and print the materials, please contact Dick Larson - preswncbuildinghope@gmail.com (828)260-5389

Show your church's love for the BUILDING H.O.P.E. ministries by making a banner to hang. Pre-cut the triangles and divide the group into 8 groups to make the flags to create a beautiful banner. Personalize it by changing the images and colors.

We can help each other by BUILDING
H.O.P.E. in Malawi. They need
education, medicine and medical
clinics.

Love each other as I have loved you.
John 15:15

MALAWI

Building Healthy Families in Malawi

“Where is my hope? Who can see any hope for me? ” Job 17:15

Bring a globe to class. Find Malawi and discuss helpful facts about the people, the Ebenezer School and the Malawi Hospital.

Find Guatemala and discuss the country and its people. Share the available maps.

Make a bank. Any clean plastic container with a lid will work. Remove the labels and cut a small rectangle slot for the coins. Paste or tape on the new label. (Shown below) Encourage each child to begin Building HOPE for other children by filling their bank.

For Middle School and above, suggest they use their devices to search each ministry. Have them develop a prayer list for the needs of each ministry based on their research. Or, provide a small notebook to collect prayer requests for the Building HOPE ministries:

Malawi Health Care needs clean water, electricity, medicine, rural clinics and more

Guatemala Ministry needs money for education and more
Our churches need help to grow strong. We need technology, worship ideas, leadership training and more

Camp Grier needs leaders, equipment for activities, trails for hiking, biking, horseback riding and more

Add more as the discussions progress.

How Can Your Hands Help?

Make a BUILDING H.O.P.E. banner of handprints to show support for the four ministries. Hands can be traced, painted, or colored. Write your name, and a blessing or the name of one of the ministries on the hands.

Trace your helping hands or make and dry Playdough handprints.

For the best results use bright colors for the handprints!

**I am
BUILDING H.O.P.E.
for other children!**

*Take a field trip around your church to see all the things inside and outside that helps it to be a vital church!

Check out BUILDING H.O.P.E. on the Presbytery website-
www.presbyterywnc.org

Playdough

1 cup salt
2 cups flour
2 cups water
2 Tablespoons cooking oil
4 teaspoons cream of tartar
food coloring

Mix the first 5 ingredients. Add drops of coloring until it is the desired color. Cook about 5 minutes in a medium size pot. Stir constantly until it thickens. Remove and knead out the lumps. Store in Ziploc bags. Dough shapes will harden when left out to dry.

It takes 15 minutes to complete this recipe from start to finish.

LABELS FOR MAKING A COIN BANK FOR YOUTH

Collect clean frosting containers. Cover the white container with bright construction paper, wrapping paper, or wallpaper. Glue the labels on and cut the coin slot.

Other containers will also work. Pringle cans work well – labels will need to be re-sized.

This circle will fit the lid of a plastic frosting container.

Camp Grier is Fun!

BUILDING H.O.P.E. - CAMP GRIER

Mountain Biking, Equestrian Trails,
Swimming, Mountain Running, Bible Study,
● Climbing, Canoeing,
Kayaking and
More

Which of these will help your church grow strong and lively? Draw a line from the church to those you need.

Public school is free and compulsory only through the sixth grade. BUILDING H.O.P.E. will prepare teachers and parents for a better understanding of effective education, establish libraries, and provide scholarships for high school and university.

Guatemala grows coffee and cocoa beans, organic vegetables, sesame, cardamom, pineapples and honey.

BUILDING H.O.P.E. educates children and parents in GUATEMALA.
